From Mrs. Radwanski

Monday is conference day! If you have not scheduled your conference, the OptionC window has closed, and you will need to contact your child's teacher to schedule a conference. All parents are required to attend fall conferences. We are looking forward to seeing you Monday and discussing your child's progress. If you would like me to attend a conference, please send me an email at principal@regina-coeli.org.

We have had a couple of COVID-19 cases confirmed to us this past week. Fortunately, there has been no exposure at school. As you plan for your holidays, please be extra alert for COVID-19 symptoms. I know it can be very difficult to tell the difference between COVID-19 and other illnesses, but it is important to stay alert to symptoms.

Finally, we wish you and your families a Happy and Blessed Thanksgiving holiday. May God bring us all a joyous time with our families and friends.

Have a blessed week.

Mrs. Radwanski

Prayer Intention

During this time when we are most thankful for our families and loved ones, I would like to ask you all to take a moment and say a prayer for a member of our extended diocesan family. There is a little girl in one of our schools who has been battling leukemia and is desperately in need of prayers. Please take a moment and say a prayer for her and her family during this Thanksgiving season. *Blessed Carlo Acutis we ask for your intercession on behalf of this child and her family. Amen*
